Celebrating Our Volunteers

Each day, volunteers arrive at Frost full of energy, enthusiasm and dedication. Frost parents, neighbors and friends assist in classrooms, with class parties, in the office, on the playground, on field trips, with assemblies and special events... in short, our wonderful volunteers help with everything that makes our school a great place to be!

We would like to say **THANK YOU** to all of our Frost volunteers! If you have volunteered at Frost this year, please come to a special luncheon in your honor on Wednesday, May 28, from 11:45 am – 1:00 pm, in the Gym.

Frost Family Fun Night

Come and Dance!

Sixth Grade News

Our 6th grade classrooms have a wide variety of activities happening right now. In addition to all of the traditions related to successfully completing the last few months of their elementary school years. There are three activities related to our study of the Pacific Rim.

Pac Rim Reports:

Students are working hard to create a display board showcasing a Pac Rim topic of their choice. With such interesting and diverse topics as volcanoes, sharks, Tsunami, The Great Barrier Reef, numerous Pac Rim countries, and many others. This annual end of the year project is a chance for the students to independently choose research, write about, and present their learning for all to see.

Junior Achievement:

Thanks to the gift of resources and volunteer time through the Junior Achievement Organization our 6th graders are also learning about the Global Marketplace of imports, exports, international trade, etc. These lessons, taught by community volunteers from the business world or education, take place over a 6 week period each spring.

Port of Seattle:

And finally, tying both together (Pac Rim and International Trade) will be our May 20th Field Trip to the Port of Seattle. We will head off to the Seattle waterfront for a short lecture and demonstration at the Port of Seattle's Boardroom followed by a quick hike along the water to catch our tour. We'll all board an Argosy ship for a Harbor Tour and a first hand look at our own thriving international port and its importance to trade across the Pacific Rim.

The Frost Mile Run

is this week!

Remember your running shoes!
