Book Exchange: Every Wednesday! Bring a book, take a book!

Tuesday May 27; 7:00 PM
Wednesday May 28; 11:45-1:00
Wednesday May 29; 2:00-3:00
Thursday May 30; 9:15-10:15
Thursday May 30; 5:30-6:00

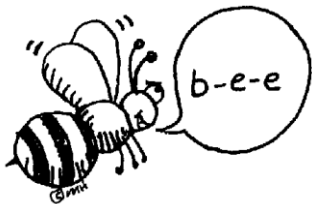

Information Meeting- 2009 Washington DC Trip for 5th & 6th graders
Volunteer Luncheon 11:45-1:00
PTSA Budget meeting
All School Spelling Bee
Kindergarten Orientation

Remember! Every Wednesday is Early Dismissal at 2:00 PM (AM K at 10:55 AM, PM K at 2:00PM)

School Office: 425-821-8238 Safe Arrival: 425-825-7687

Recent and archived Tuesday Bulletins can be accessed online: <http://schools.lwsd.org/frost/>

First All School Spelling Bee

This Thursday, we will be holding our first All School Spelling Bee! Students have been studying hard and classroom competitions are taking place.

Each classroom is holding their own spelling bee to determine the top two spellers. Grade levels are holding a grade level spelling bee to determine the top two spellers from each grade.

The top two spellers from each grade level will participate in the All-School Spelling Bee on Thursday, May 29th from 9:15-10:15.

Still Raising Money for the Kenyan Library

We are still collecting donations for the Kenyan library. Last year, we raised enough money to build a library in a Bungoma, a small village in Kenya. Now we are working to raise enough funds to furnish the inside of the library (shelves, tables, chairs and lighting.)

Please consider helping this great cause by sending in a donation this week.

Our busy Second Graders!

Second graders have been having so much fun making their own toys, such as tops, twirlers, and zoomers. This is part of the second grade Balance and Motion science. We balanced pencils on their tips and made mobiles out of straws, rubber bands, and paperclips. We are ready for our greatest challenge of all: building a very long ramp to see how far a marble will roll. Science is way cool! We've also been having fun in math, playing Geo Logo games on the computer to learn the shortest route between two points, as well as measuring on grids. We used the broad jump mat to see how far

we could go doing a frog jump, a rabbit hop, and a kid jump.

We are really excited about our upcoming all school spelling bee on May 29th. We held individual classroom spelling bees to identify our top three spellers in each class. Then, we held a second grade spelling bee with the top three spellers from each second grade class to determine two top spellers for the second grade. These two students will compete in our school wide spelling bee against all other grade levels! How exciting!

“Children are the living messages we send to a time we will not see.”
