### Parent Access Expands

Parent Access, a secure information site for district parents, is now available for all parents for the district. All parents can check to make sure their contact information on file with the district is correct, to see the teacher(s) their student(s) have, send e-mails to teachers, and check school lunch account balances. Parents of secondary students can also check their grades. All it takes to sign up for Parent Access is to have an e-mail account on file with your student's school office.

This year, two new functions have been added to Parent Access. One is the ability to make **credit card payments to lunch accounts**. In the past, parents had to call Food Services during business hours to give them a credit card number over the phone, which they can still do. The new, simple, web-based process will enable parents to make a payment any time using a credit card. Since Parent Access provides parents with access to their student's information, it is a very secure site.

The second addition is the ability for parents to **fill out their volunteer application online**. On signing in to Parent Access, the volunteer application is already populated with the parent information on file, i.e., name, address and phone number. Between this automated function and having parents fill out the form online, there is less potential for error. This online process is quicker and easier than filling out the paper forms and saves paper as well.

For more information, see the [Parent Access New User](#) page on the district web site.

## Poetry Corner

### The Tale of Custard the Dragon by Ogden Nash (1902-1971)

Belinda lived in a little white house,  
With a little black kitten and  
a little gray mouse,  
And a little yellow dog and  
a little red wagon,  
And a realio, trulio, little pet dragon.

Now the name of the little black kitten was Ink,  
And the little gray mouse, she called him Blink,  
And the little yellow dog was sharp as Mustard,  
But the dragon was a coward,  
and she called him Custard.
