

JHS PTSA Presents *The JHS Baccalaureate Service*

The PTSA sponsors the **Baccalaureate** each year for the seniors and their families. This event is an optional spiritual gathering of seniors and their families and friends that takes place before graduation. It is an inspirational service that encourages participation by students and leaders in our community and is open to all. The service may include activities that encompass music, readings and inspirational messages.

The Baccalaureate service is a wonderful time to celebrate your senior in a quieter, more reflective atmosphere. And since the students attend in their caps and gowns, it is a perfect time to take pictures of them with family and friends without the rush of graduation night!
